

## Reject The Debt

I, WILLIAM FRASER, pledge to the citizens of my state and to the American people that, except when related to a congressional authorization of force, I will:

**ONE**, consider all spending open for reduction and vote only for budgets that present a path to balance; and

**TWO**, vote against any appropriations bill that increases total spending and against the authorization or funding of new programs without offsetting cuts in other programs.

*As an independent looking forward to representing the constituency of the 8th District, I stand behind Coalition to Reduce Spending's mission. While ultimately the decisions will be made by way of voter referenda under my unique and transparent platform, I strongly believe the constituency will stand behind their requests.*
