

Reject The Debt

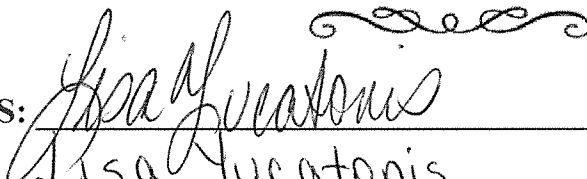

I, Rebeard Moss, pledge to the citizens of my state and to the American people that, except when related to a congressional authorization of force, I will:

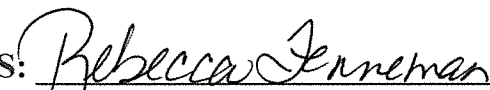

ONE, consider all spending open for reduction and vote only for budgets that present a path to balance; and

TWO, vote against any appropriations bill that increases total spending and against the authorization or funding of new programs without offsetting cuts in other programs.

Dear Mr. Moss:

I am contacting you on behalf of the Coalition to Reduce Spending, the only single-issue advocacy organization dedicated exclusively to reforming federal spending.

We believe, like you, that federal spending is the issue of our generation. That's why I'm contacting you to ask if you will sign our *Reject the Debt* pledge (attached).

As part of our work, we offer candidates for federal office the opportunity to commit to (1) vote for new spending only if it is offset elsewhere in the budget and (2) vote for budgets only if they specify a path to balance.

We believe these simple principles will help set our country back on the right track.

I'm proud to say that candidates and elected officials from across the political aisle have signed and used the nonpartisan pledge to establish their credibility on fiscal issues.

Will you add your name to those who are leading on this critical issue?

You may email me a scanned copy of your signed pledge at Rebekah@ReduceSpending.org or mail it to **Coalition to Reduce Spending, P.O. Box 1031, Alexandria, VA 22313.**

Please feel free to contact me with any questions or concerns.

Respectfully,

Rebekah Johansen
Director of Outreach
